

**REMARKS**

This is in response to the Office Action dated September 13, 2007 in which the Examiner has objected to claims 42 and 43; and has rejected pending claims 40-43 under obviousness-type double patenting in view of claims 1-4 of U.S. Patent No, 7,260,045.

Per the above amendment, claims 42 and 43 each have been rewritten into independent format. The Examiner's objection is therefore believed to be moot.

Attached to this amendment is a terminal disclaimer to overcome the obvious-type double patenting rejection of the pending claims under claims 1-4 of U.S. Patent 7,260,045.

Now that all outstanding issues are believed to have been removed, the Examiner is respectfully requested to reconsider the application and pass the same to issue at an early date.

Respectfully submitted,
